

Program: Math and the Mouse: Explorations of Mathematics and Science in Walt Disney World
 Dates: May 9 - 30, 2018 Request accommodations through the Student Office for Accessibility Resources (SOAR)

HEALTH & DIET	Frequency				
	Never	Seldom	Sometimes	Usually	Always
Vegetarian Options					X
Vegan Options					X
Food Allergy Accommodations					X
Group Meals			X		
Cooking for oneself			X		
Host family prepares meals	X				
Healthcare easily accessible					X

Comments: Walt Disney World is well-known for its ability to work with food restrictions and allergies. Every restaurant on Disney property has protocols and procedures in place to ensure that guests have a safe dining experience. There will be some meals that we will eat in restaurants off of Disney property, but we try to work with students to find amenable options. For many meals, students are responsible for themselves, so with grocery shopping and in-suite kitchenettes, students are able to manage their food needs fairly independently.

LIVING ARRANGEMENTS	Frequency				
	Never	Seldom	Sometimes	Often	Always
Host Family	X				
Roommate					X
Shared Apartment					X
Dormitory	X				
Camping	X				
Hotel					X
Cell phone signal available				X	
Internet signal available			X		
Comments: Typically students will share a hotel bedroom and a bathroom with one other student, and share a common living area (including kitchenette) with up to three other students. The hotel has free hot breakfast and free coffee available daily. In the past, the hotel wifi has been somewhat unreliable.					

Frequency						
WATER ACTIVITIES	Never	Seldom	Sometimes	Often	Optional	Required
Swimming		X			X	
Snorkeling	X					
SCUBA	X					
Boating (speed boat)	X					
Rowing	X					
Comments: The hotel has a swimming pool that participants may use during down time.
