

## Furman University Study Away Program: Program Expectations

**Program Title:** Religion & Art in Turkey

**Locations:** Turkey

**Dates:** May 8-29, 2024

**Program Description:** This program will examine the relation between the aesthetic and religious dimensions of human experience through visits to Byzantine (Eastern Christian) and Islamic sites in Turkey. There will be an emphasis on the architecture of churches and mosques and Byzantine icons and Islamic calligraphy.

### Academic, Environmental, Physical & Health Expectations for Participation

Below is a list of academic, environmental and physical expectations and requirements for participation in this study away program. The list captures most, but not all, requirements. If you have questions about the expectations and requirements, please check with the study away office or the program directors. Students requiring a physical or academic accommodation should contact the Student Office for Accessibility Resources (SOAR) no less than 4 months prior to the start date of the program.
