

Furman University Study Away Program: Program Expectations

Program Title: The Washington Experience

Locations: Washington, D.C.

Dates: May 28, 2025 - August 2, 2025

Program Description: Students will study political, civic, and cultural aspects of the American political system while living in Washington, D.C. Students will be placed in an internship to match their academic and career interests. Students will work in these internships during the day and take classes in the evening with a Furman faculty member on site. Students will participate in professional development seminars and workshops through The Washington Center and will explore the cultural offerings in Washington on weekends.

Academic, Environmental, Physical & Health Expectations for Participation

Below is a list of academic, environmental and physical expectations and requirements for participation in this study away program. The list captures most, but not all, requirements. If you have questions about the expectati0sn and requirements, please check with the study away office or the program directors. Students requiring a physical or academic accommodation should contact the Student Office for Accessibility Resources (SOAR) no less than 4 months prior to the start date of the program.
